Mr Joe Miles  
Second St.  
Richmond Va.

Dear Mr Miles:

I had expected to receive a line from you by now. I hope you have received the placards, and have them out. You know the 10th is not very far away, less than a week, and we really have to make some money now-a-days. I am sure you have heard by now the ODT will not let us use our buses, and we have to travel by train or cars, and believe me it is some expence.

In bringing The Homestead Grays to Richmond we are at least giving the town a good start, and if the people turn out for this game we will be able to gamble on coming back. Was there any good publicity in the Norfolk Journal and Guide this week?

Now most important please get rooms for the team for the night of the 10th. There will be about 15 men.

Please drop me a note how things are coming. I hope you are well.

Very Truly Yours
